COUNSELOR MESSAGE

Happy New Year! This time of year is magical - full of hope and anticipation! As we enter into this brand new year. I am looking forward to another wonderful semester at Hawks Nest!

In January, students will continue to participate in classroom guidance classes every other week. In January, guidance lessons will focus on Digital Citizenship and the character trait of the month, Courage. As a school, we're recognizing Great Kindness Challenge Month during the week of January 27th - 31st. With student council serving as Kindness Ambassadors, students will have an opportunity to participate in kindness activities like the GKC checklists. Small groups with some students will continue as well as individual meetings.

Next month, students will begin exploring careers. We're so excited about Career Day coming up on March 7th.

Please feel free to reach out about the school counseling program. Contact information is below.
